Judge Robert D. Drain,  
Case # 05-44481

I am 61 year old, with some very serious health issues; I would not be able to purchase Health Insurance, at any price. I retired from General Motors. I was also a member of the IUE-CWA. I am asking you to PLEASE protect our health care benefits, as the UAW Retiree's are protected. We all worked for GM, not our respective unions. Before the GM Bankruptcy the IUE-CWA like the UAW negotiated a VEBA with GM. During bankruptcy the UAW VEBA was honored and the IUE-CWA VEBA was NOT. How could this be FAIR or RIGHT? Please do the FAIR and RIGHT thing and treat All GM Retiree's Equal.

Thank You  
Joe Lapolla (GM/IUE-CWA Retiree)

Support the Delphi/Gm retirees ~~THE CWA~~, Local  
717, Warren, Ohio. Do NOT discriminate one union  
(UAW) over another (~~THE CWA~~). We payed taxes  
All our lives expecting to be represented fairly  
by our government. We want justice. ~~We want~~  
~~our FULL PENSIONS "TOPPED OFF" like the UAW~~  
~~we want/need our health care, just like you.~~  
The reduced amount from the PBGC is unacceptable.  
Support the American Worker & DEMAND Gm/Delphi  
Continue their obligation to their retirees.
